Town of Croydon, N. H.

For Year Ending February 15, 1909

... BUYING DRUGS ...

MOST everyone at one time or another has use for something from the drug store.

Perhaps the doctor has left a prescription or has ordered some medicine which he does not carry; or may be an emergency, severe burns, cuts or bruises, in which case you will need some Gauze, Bandages, Plaster or Salve; or again you require something in Rubber Goods, such as Syringes, Atomizers, Hot Water Bottles, Ice Bags, Rubber Gloves and Face Bags; or something for the baby, such as Nursing Bottles, Nipples, Teething Rings, Job's Tears. Sponges, Combs and Talcum Powder. It may be Toilet Articles, Face Powder, Tooth Powders or Hair Brushes, Tooth Brushes and Cloth Brushes or Stationery, Confectionery and Perfumes; then again perhaps it is Cigars, Cigarettes, Tobacco or Pipes.

We keep all the above articles besides so many others that space won't permit us to mention them, in fact we keep everything that A FIRST-CLASS DRUG STORE should keep.

It has been over 40 years since this drug store was established and during that time its policy has been A SQUARE DEAL TO ALL and it goes without saying that this policy will be followed in the future.

IF WE PLEASE YOU, TELL OTHERS. IF WE DON'T,
TELL US.
